

MEETING TONIGHT RENEWABLE ENERGY OWNERS COALITION OF AMERICA

Zoom Presentation Tonight

August 24, 2021 from 6pm - 7pm

Dear Ken:

REOCA in partnership with Pueblo's Energy Future (PEF) has been working on an energy plan for Pueblo. We have a once in a lifetime, time critical, chance to address climate change. With the convergence of technology, industry and government there are solutions to the problem. Our presentation will show you the technologies and business opportunities that will have a positive impact on Pueblo's health and economic growth. Please join REOCA's virtual meeting, Renewable Energy, Prosperous Pueblo. Feel free to share with family and friends.

Ken Danti,
REOCA President
